"Words can never express just how thankful my family and I are for everything RMHC did for me during my daughter's (Presley Claire) 81 day hospital stay back in 2016. You all are an amazing group of people and a great facility!"

The Dailey Family

Meet Malechai. Malechai has a baby brother, named Marley, who was born in July but needed to stay at the hospital for some additional testing. Malechai visited Marley almost every day since his arrival. He just couldn't wait to be the big brother and to show Marley the ropes. It took almost a month for baby Marley to be discharged from the hospital, and Malechai couldn't be happier.

As a former Chair of the Board of CHKD I was aware of the problem facing out of town families when they had a child at the hospital. We would assist in putting them in hotels when we were able but many had to spend the night in their cars or waiting rooms. So, when the Board was approached to partner with the Ronald McDonald House Committee, I volunteered. The community responded very generously and the result is our great facility today. I was very pleased to serve on the first Board of Directors and to continue to be involved today.

The Easter Family

Randall and Irma Easter, and their daughter's (Natalie and Allison) have been coming to stay at RMHC since November of 2017. Back in 2016, Allison (now 5 years old) was diagnosed with having a Wilms Tumor, also known as neuroblastoma, which is a very rare form of kidney cancer. The tumor was successfully removed and little Allison now undergoes radiation treatments at CHKD. The Easter family started out staying at RMHC once a month for treatments but with Allison responding so well to them, they now only come here once every 3 months. We are #AllisonsArmy!

The Hwang Family

Yuh Mey and David (not pictured) came to RMHC Norfolk in February of 2018, when their son, David Jr., was born earlier than expected. With the family living on the Eastern Shore, remaining near their baby was one of their biggest concerns. The family checked in to RMHC at the end of February, and with help from Yuh Mey's sister, Shanell, they were able to travel back and forth from RMHC to home when they needed. Yuh Mey and David were finally able to take their baby boy home at the beginning of July.

The Taylor Family

It took 2 states, 4 hospitals, 5 months in the PICU, 1 new job postponed and 1 RMHC stay for 2 year old Sage to make it home. Eric and Felicia Taylor, and their sons (Lake and Storm) stayed at the RMHC in New Mexico during their daughter's hospitalization. Sage was born with lymphatic malformations and the doctors had a huge task helping such a little one with such big issues. Sage was able to go home 5 months later and she's been growing stronger every day since. She's one tough little girl.

Paul DiMarco Volunteer

Volunteering at the RMHC is a chance for me to give back just a little bit of myself for those overwhelmed with stress and worry over their children and family. For years, I passed the "House" every day and was searching for a way to give back in a meaningful way when it dawned on me, these folks might appreciate a melody or song in the air. Music is a very powerful healing force to both the player and the listener and every time I perform, there is always something that surprises me. It's not anything you would ever look for or expect but sometimes just a shy smile or wave from a child is all you need to know you are doing the right thing.

The Saquic-Chan Family

10-year old Nick and his family have been coming to stay at RMHC Norfolk since June of this year. Nick goes to CHKD once a month for chemo treatments. His parents, his older brother Carlos, and his little sister Sarai stay right by his side to give him continuous strength and support. Throughout his time here, Nick has remained one of the most uplifting and positive little boys we've ever seen. We call him "Superman."

The Williams Family

The RMHC of Norfolk was our safe haven after our third son was born prematurely and had a genetic condition. He was in CHKD NICU. Our house is over an hour away, so we were blessed to be able to stay at the RMHC during the 8 weeks that Easton was in the hospital. Our older boys enjoyed staying on the weekends so they could visit with their little brother. We met other parents and were able to find comfort and support there. Families and groups would cook meals, and we would talk about volunteering in the future. Easton passed away in December 2014, but each year on his birthday, we return to celebrate him and cook a meal for the families. It's important to us, to provide for other families in the same way, through such a life changing time.
